## A Voice for Ireland's Horses

**FOR: Minister Brendan Smith**  
*Minister for Agriculture, Department of Agriculture*

The new Animal Health & Welfare Bill is currently in the final draft stages in Leinster House. It has taken almost 2 years to reach this stage and yet it is still waiting to be published and brought before the Houses of the Oireachtas. We still do not know when the bill will be finalised. As this has been one of the worst years for cases of equine neglect in Ireland the welfare bill needs to be passed urgently. Take action now and put pressure on the Government to implement the new Animal Health & Welfare Bill, which could help make a difference to the lives of thousands of horses in Ireland. **THANK YOU.**
